Welcome to our office!

We appreciate the trust and confidence you have shown in selecting our office for your eye care needs. Eye Doctors' vision is to improve our patient's lives by utilizing innovative technology and giving personalized, quality care.

Rest assured you will receive the most comprehensive eye examination available. Other treatments for infections, glaucoma, and eye emergencies are also provided. Our family owned practice is committed to providing exceptional value and service in a welcoming environment and creating a lifetime relationship with our patients and the community.

Please complete the provided forms, and bring them with you, along with your insurance cards and a photo ID. Plan on arriving at least 10 minutes prior to your scheduled appointment. Also, bring all your current glasses, including sun glasses, computer, reading or TV glasses.

If you should need to re-schedule this appointment, kindly give us 24 hours notice.

Your sight is irreplaceable and deserves the best possible care. Once again, thank you for your trust and confidence. We look forward to meeting you.

Sincerely,

The Staff of Eye Doctors
